collection MAKEMAKE	
Metals Finishes Finiture Metalli	 RAL 7022  RAL 9010  Wood Legno  Teak Boards Doghe in Teak
Materials Materiali	Legs and armrests: chair and lounge in stainless steel, painted with powder paint for outdoor use; bench in galvanized steel, painted with powder paint for outdoor use; bed in aluminum, painted with powder paint for outdoor use. Seat structure: aluminum frame with perforated aluminum sheet, painted with powder paint for outdoor use; version with slats, in raw teak (EUTR compliant), material known for its weather resistance. Complements and fixing screws in stainless steel. Finishes: white and gray colors made with high resistance powders for exteriors. Optional polyurethane foam mattresses covered with Sunbrella outdoor fabric. <i>Gambe e braccioli: sedia e lounge in acciaio inox, verniciati con vernice a polveri per esterno; panca in acciaio zincato, verniciati con vernice a polveri per esterno; lettino in alluminio, verniciati con vernice a polveri per esterno.</i> <i>Struttura seduta: telaio in alluminio con lamiera di alluminio forata, verniciati con vernice a polveri per esterno; versione con doghe, in teak grezzo (conforme EUTR), materiale noto per la sua resistenza alle intemperie. Complementi e viti di fissaggio in acciaio inox.</i> <i>Finiture: colori bianco e grigio realizzate a polveri ad alta resistenza per esterni</i> <i>Materassini optional imbottitura in poliuretano espanso, rivestiti con tessuto outdoor Sunbrella.</i>
Guidelines Istruzioni	Terraforma is not liable for damages caused by improper use, such as sitting on the armrests, backrests or standing on the products. We are not liable for damage caused by carelessness of the product and left in extreme weather conditions. The products are made with materials suitable for outdoor use and with powder coatings. Terraforma is not responsible for damage caused by: improper use (by way of example: sitting or standing on the products), lack of maintenance, carelessness of the product, product subjected to salt and / or extreme weather conditions; the aforementioned causes will lead to forfeiture of the guarantee. Optional mattresses are made of polyurethane foam. The fabrics are specially made for outdoor use and are water repellent and stain resistant. <i>Terraforma non risponde per danni causati da un uso improprio, come sedersi su braccioli, schienali o salire in piedi sui prodotti. Non si risponde di danni causati da noncuranza del prodotto e lasciato in condizioni meteorologiche estreme. I prodotti sono realizzati con materiali adatti all’uso per esterno e con verniciature a polvere. Terraforma non è responsabile per danneggiamenti causati da: uso improprio (a titolo esemplificativo: sedersi o salire in piedi sui prodotti), mancata manutenzione, non curanza del prodotto, prodotto sottoposto a salsedine e/o a condizione meteorologiche estreme; le precitate cause comporteranno la decadenza dalla garanzia. I materassini opzionali sono realizzati in poliuretano espanso. I tessuti sono appositamente realizzati per uso esterno e sono idrorepellenti e antimacchia.</i>
Technical Data Informazioni Tecniche	The products are made in Italy following the European directives and UNI-EN standards with materials that correspond to these needs. Terraforma guarantees the product according to the current standards; the construction is carried out with quality materials and workmanship. Misuse and neglect make the warranty drop. Metal is the prevailing material and is not flammable. Elastic straps, padding and fabric are flammable. The flame can be extinguished with any type of extinguishing product. <i>I prodotti sono realizzati in italia seguendo le direttive Europee e le norme UNI-EN con materiali che corrispondono a tali esigenze. Terraforma garantisce il prodotto in base alle norme vigenti oltre alla costruzione effettuata con materiali e lavorazione di qualità. Uso improprio e trascuratezza fanno cadere la garanzia. Il metallo è il materiale prevalente e non è infiammabile. Le cinghie elastiche, imbottiture e tessuto sono infiammabili. La fiamma può essere spenta con qualunque tipo di prodotto estinguente.</i>
Maintenance Manutenzione	For metal parts use a damp cloth, possibly a mild soap and rinse with water. All products containing alcohol, ammonia or thinners can spoil the product. The cushions can be cleaned without being unlined. To clean the fabrics, visit www.sunbrella.com Teak tends to gray with oxidation due to the sun’s rays. To revive the color of the teak or eliminate stains proceed with sanding and spreading of special oils. During the winter, store the products in sheltered places. <i>Per le parti in metallo utilizzare un panno umido, eventualmente un sapone neutro e risciacquo con acqua. Tutti i prodotti contenenti alcool, ammoniaca o diluenti possono rovinare il prodotto. I cuscini possono essere puliti senza essere sfoderati. Per la pulizia dei tessuti consultare il sito www.sunbrella.com Il teak tende a ingrigire con l’ossidazione dovuto ai raggi del sole. Per ravvivare il colore del teak o eliminare macchie procedere con carteggiatura e stesura di olii appositi. Durante l’inverno riporre i prodotti in luoghi riparati.</i>
Disposal Smaltimento	The products are made to be recycled, dividing the different materials. Deliver the goods to the municipal landfill. <i>I prodotti sono realizzati per essere riciclati, dividendo i diversi materiali. Consegnare la merce alla Discarica Comunale.</i>
Additional Pillows Cuscini Accessori	The additional cushions , dimensions 40x40, 60x60 and 60x30, are made with recycled fiber and internal fabric in TNT. The coating is made with the fabrics of the collection and therefore the same information is used for maintenance. <i>I cuscini accessori delle dimensioni 40x40, 60x60 e 60x30 sono realizzati con fibra riciclata e tessuto interno in TNT. Il rivestimento è realizzato con i tessuti della collezione e con le relative informazioni per la manutenzione.</i>

fabrics - <i>tessuti</i>	
Fabrics Data Specifiche Tessuti	The fabrics used by Terraforma are made of solution-dyed 100% acrylic Sunbrella or Dickson, specifically designed for exteriors, which offers a high level of resistance to atmospheric agents and wear-and-tear. Water-repellent, this material is also treated to retain the original colour from sunlight/water action. <i>I tessuti utilizzati da Terraforma sono specifici per esterni in acrilico 100% tinto in massa Sunbrella o Dickson; garantiscono un’alta resistenza agli agenti atmosferici e all’usura. Idrorepellente, antimacchia e antimuffa, questo materiale è anche trattato per conservare il colore proteggendolo dall’azione di sole e acqua.</i>
